VIVALIFT!® ULTRA¹

The Ultra collection by VivaLift!® Power Recliners is loaded with features to help you experience pure relaxation. VivaLift! Tilt technology helps you recline with your knees elevated about your heart. The advanced massage system delivers gentle pressure on your lower back, and three heating pads soothe away the stress of the day.

FEATURES AND BENEFITS

1. New! VivaLift!® Tilt reclines the lift chair into a recline position where one's knees are elevated above your heart, providing the feeling of weightlessness
2. New! Advanced massage system with a touch of a button provides gentle pressure to your lower back for a soothing massage with three intensity settings
3. Newly designed toggle remote:
 - Easy-to-use toggle in the middle of the remote performs the up /down and recline positions
 - One memory button to program your customer's favorite position
 - Tilt button
 - Modern toggle design for effortless control
 - USB charger
4. Easily accessible heat and massage buttons on the inside of the left armrest
5. Three heating pads located in the shoulder, lumbar and seat allow you to adjust your heat levels for your comfort
6. True-infinite positioning enables the backrest and footrest to move independently from one another so that a variety of positions can be reached
7. Hideaway wireless charging station conveniently charges your phone
8. Hideaway cup holder keeps your beverage close at hand
9. The power headrest lifts your head, neck, and shoulders for maximum support
10. The upward lift offers convenient stand assist for getting in and out of the recliner
11. The power lumbar enables you to personalize your comfort
12. The footrest extension allows you to relax and stretch out completely
13. Lithium battery backup ensures your recliner is operational when the power goes out
