STANDARD FEATURES

The upward lift offers convenient stand assist for getting in and out of the recliner.

The power lumbar enables you to personalize your comfort.

The footrest extension allows you to relax and stretch out completely.

The backrest moves up and down independently to help you find the perfect position.

Infinite positioning enables the backrest and footrest to move independently so that a variety of positions can be reached including raising your feet above your heart.

The ergonomically designed Toggle Remote has two programmable memory position buttons, performs thelift, up/down recline and footrest functions, and has a convenient USB charger port that allows you to charge your smart device.

Lithium battery backup ensures your recliner is operational when the power goes out.
